Angela-

EPA would like to schedule an EPA/DEP only call or meeting prior to a meeting including the City and AVX so that we understand DEP's position on the Phase III submittal and your position on EPA's comments on the Phase III, along with the City's comments, before the larger group meeting. Would DEP be available for an EPA/DEP call/meeting on this matter before the week of the 7th? Also, for the meeting that would include AVX and the City, would you expect AVX attorney's to attend? If so, I assume MassDEP and EPA attorney's would also attend. For the larger group meeting, EPA would also like to invite a representative from the Army Corps and our contractor, Jacobs.

Subject: Meeting to discuss Phase III for Aerovox

Hi all,

I would like to set up a meeting here at MassDEP to discuss the Phase III prepared by Brown & Caldwell. I would like to begin with availability starting the week of November 7th. If you could all provide me with dates/times of availability, I will set up a mutually agreeable meeting time based on those dates and send out an invitation. After that, I will send out an agenda based on feedback.

Thank you in advance,

Angela Gallagher
